Spring / Summer 2017, number 36

• Trends •

With spring days lovely long evenings come along with lots of light and fresh green trees.

We see sparkles of the sun in the reflection of the sunlight on our nails. With a beautiful Mermaid powder it is like a beam of light with thousands of colors, just like a fish's scales. Everything is fresh, sparkling and airy.

We see a clear tendency for good care of skin and nails. Healthy is also the trend for nails.

• Gelish PolyGel •

Dogs bark, the caravan moves on and superlatives fly around with the introduction of a new nail product; but... there are exceptions!

Gelish introduces **PolyGel**, a new **gel nail system** that is odorless, hypoallergenic, super strong and flexible.

We have tested it and are convinced of this renewal, Gelish PolyGel nails will be available soon at all our locations.

• Eyelash extensions •

Our eyelash stylists have been trained up to date for very sophisticated techniques like 3D and Russian Volume. Even thinner hairs, it is as light as if it were our own eyelashes.

Blink & Lash Extend are the top brands that we work with in our salons. The possibilities of these quality brands are endless; from an ultra soft Eyelash look to 3D/6D lashes.

For the woman of today with a crowded agenda, this is a blessing. No more wasting time in the mornings and always a fresh and perfect look. To optimize wearable protection for your eyelash extensions we offer special aftercare serums, brushes, eyeliners and foams.

• Lost count, CND Shellac •

If you are elected for six (or is it seven?) years in a row as the number 1 Gel Polish in the world!, expectations are high.

These expectations are reaffirmed with the new **Rhythm & Heat** collection; with color names like **Ripe Guava**, **Shells in the Sand**, and **Mambo Beat** the tone has been set for a wonderful season.

But also from the permanent collections it is great fun to choose a spring or summer color.

• it's Go Time •

In the area of Gel Polish, **Young Nails** has been catching up on CND and Gelish, and now it seems they have made a huge step forward with **Go Time!**

Go Time is the Gel Polish version of **Caption nail polish** with one major difference that only one -that's right only one- (color) layer has to be applied (one step gel polish).

We were one of the first in the Netherlands to test it and the conclusion is that it is a wonderful product!

Go Time has the same deep pigmentation, high gloss and durability as CND Shellac. In addition to 30 basic colors, the colors come from the beautiful **Caption Every Day collection**. Colors you can wear any day regardless of the season; you'll easily fall in love with **Welcome to my life**, **Hug it out** or **Good Enough**.

• Spa Pedicure & Manicure •

Finally we can take our feet out of those thick winter socks and shoes. For this first time, we would like to spoil them with our extensive **Spa Pedicure**.

A pure indulgence for your feet with a dip in our natural stone spa filled with **CND Marine Mineral Bath** and a delicious scrub with the **CND SPA Gardenia Woods** series or fresh **Bright Citron**.

Additionally add a fresh color Vinylux. Caption of Shellac with lots of choice from over 200 colors! Again in spring.

With **Spa Citron Lotion**, Scentsations **Tangerine & Lemon Grass** we pamper the skin and with richly nourishing **Solar Oil** we add extra nutrition to our cuticles. To feed all of this extra, we close the **Spa Manicure** with a delicious mask and keratin for the nails.
