

• Trends •

Finally, the warm season is coming, the temperatures are rising, coats are going out and the terraces are full; socializing with a glass of wine.

Street Couture is prominent, sneakers are indispensable and your Gel Polish or Shellac are stylish in sight.

With more than 300 colors in all styles with sometimes a Touch Up and some Nail Art for the trendy ladies; subtle and minimalistic. In the early season Soft Tones and towards the summer bright colors with yellow, orange and green.

• Lash Lifting •

Lash lifting is the new way to give the **natural lashes** a **permanent curl**. Are you looking for something that does not require eyelash extensions or eyelash curler? then this is the solution.

By means of 3 lotions we get the own curl from your eyelashes, then we form a new desired curl, and then we feed the hairs with keratin.

During the treatment we can dye the eyelashes for you. The treatment is permanent for 6-8 weeks, because of natural hair loss and hair growth your own curl will be back in the eyelash hairs after this period.

• PolyGel nails •

With PolyGel, the artificial nails definitely have a new kind. PolyGel from Hand & Nail Harmony has earned its stars by far in the past year and has also been named **Best Innovation**.

With this intermediate between Acrylic and Gel nails you can make beautiful **natural-looking nails** that are thin and at the same time strong. PolyGel is virtually odorless, our customers describe the fragrance of PolyGel as a delicious melon.

PolyGel is allergy and solvent free, so for the one who always worries about weak nails and where Gel Polish or Shellac is not strong enough, PolyGel gives a beautiful Look and Feel. Many customers who have tried the product with us are talking about a **comfortable wearing feeling**.

Everything is possible from a natural one layering or cover to an extreme white / pink combi.

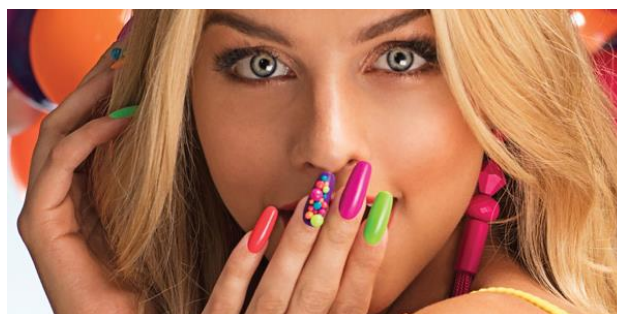

• Studio KiKi Anniversary •

Time flies when you have a good time ... and then suddenly you become 20! From **June 13, 2018**, Studio KiKi will celebrate this with a large number of loyal customers. Keep an eye on our website, Facebook, Instagram and Twitter pages for all the **festivities**.

• Gelish #1 x CND Shellac •

After being nailed to the first place for 7 years, CND Shellac has handed over the baton to the old and now new number 1: **Gelish**.

In the spring colors from the **Royal Temptations** collection we see noble pastels, for the summer we see typical bright Gelish colors in the **Make a Splash** collection.

Gelish also comes with matching nail polishes under her **Morgan Taylor** nail polish line, which is useful on holiday to match your Gelish.

But ... CND Shellac is **unstoppable** and will not let go! CND presents no less than 3 new collections with beautiful colors for the spring to the summer; **Nude**, **Chic Shock** and **Boho Spirit**

• Spa Pedicure •

This summer too the feet have to be pampered and that is possible on our delicious lounge sofa and river stones bowls.

After a **dip with sea salt** and invigorating scents such as mint, orange and flowers, the feet and nails are taken care of down to the last detail.

In conclusion, there is always a blissful **scrub massage** and a finishing touch of **color** or a simple but **natural shine** on the toenails, on your flipflops ready for summer.

In short, a very special Spa Pedicure which you can enjoy with **one or more friends** at the same time with a snack and a drink.

• Go Time x Caption •

For the frequent painter of natural nails Caption from Young Nails is a beautiful nail polish with high pigment.

Everyone can use the **rounded brush** for a perfect paint job. Often the paint is opaque in one layer. The Base coat contains **nail hardener** and **nail care**.

Caption nail polish and Go Time Gel Polish are a great duo. So much color makes it harder to choose, but our stylists are happy to help you.
