

• Trends •

The warm summer rays this spring give us a super mood and an energy boost. This is clearly visible on the terraces and on the street. Everyone is excited again!

Color trends have never been so exuberant, fashion is also played with all colors (Tutti Colori).

Our colleagues can't wait to guide you in choosing one of our new colors.

• CND Shellac • Mediterranean Shine •

After the dark period of the lockdowns, CND comes with a very appropriate and literally beautiful spring collection Shellac under the name **Rise & Shine**; a revival of sunny colors with names like **Poppy Fields**, **Oceanside** and **Mind Over Matcha**.

The summer collection **Mediterranean Dream** is a reference to the picturesque palette of colors that we all know from the environment on the Mediterranean coast and appropriate names such as **Limoncello**, **Olive Grove** and **Terracotta Dreams**.

• New CND Spa Manicure and Pedicure products •

Announced for a while, but now the time has come CND introduces a new line of Spa products; **CND Pro Skincare**.

The bar is set very high for CND because the previous line has won almost every award you can think of for 20 years every year.

It is a complete line of prebiotic-enriched spa products for healthier looking skin; such as the Callus Smoother, Mineral Bath, Exfoliating Sea Salt Scrub, Intensive Hydration Treatment, all products that are balanced for hands & feet.

A very extensive line that we would like to inform you about in our salons.

Cruise into summer with beautiful colors and scents that will transport you on a relaxing and luxurious holiday. So put on dresses and flip-flops and stroll along the boulevards.

• Biab Nagels (CND Plexigel, The GelBottle) •

Biab has now conquered the hearts of many with all her fantastic nude colors that have been expanded with even more colors over the past few years. The soft Almond gel tips that are completely soakable are also coming; the very latest from The GelBottle for extension as clear as glass, with a color or natural Nail Art.

Two years ago CND introduced PlexiGel, a **Builder in a bottle** (BIAB) with a mirror gloss transparent like glass.

Everyone can have thin and strong nails again this summer and of course with or without color. **CND Plexigel** is really a product to enjoy, not surprising it now has a loyal fan base who are very happy with this innovation. CND Plexigel has been expanded with nude colors such as **Soft Blush**, **Milky Mauve**, **Oat Milk** and **Porcelain**.

The GelBottle (TGB) is a Biab that is gaining fame quickly because of Kylie Jenner and Kim Khardasian, it's a very natural looking thin gel that strengthens the nails, you can camouflage small imperfections with it, and with the soft nude color you do not have to do anything.

For our Nail Art lovers, this brand has exceptional bright colors that you can wear as is, or with a Nail Art that is trendy this summer.

Of course this product is also **Vegan, Cruelty Free** and even has the Leaping Bunny, a certification of 8 animal protection groups.

If you are looking exclusive Nail Art please book and visit one of our locations and choose from graphic or hand painted nail art.

have a very nice summer!
