Slowly they are there... days when the sun shows itself more often, the buds are back on the trees and you can hear the chirping of the birds.

We long for spring and summer with new colors, and color is our specialty! No color is too crazy or we have it. If you cannot choose, we are happy to help you with advice.

Revival of the 80's... change is coming again and many of us already know it; big hair, big shoulders, ultra shine and teased hair. So feel free to combine with the old styles from the eighties. All fashion houses combine oversized jackets in combination with chrome and lace. Everything can be clearly visible again and no longer has to be as serene or subdued classic as in recent years. The tips of the ankle boots are also back, and the loafer is making its debut. So feel free and color outside the edges.

• Spa Manicure & Spa Pedicure • Have A Chill Day •

How wonderful it is to leave work early and book a well-deserved Spa Pedicure with a colleague or friend. Enjoy a warm bath with sea salt full of minerals and a foot scrub with soft scented notes. With a choice of so many colors of **CND Shellac** which has zero dry time is not necessary and you can immediately grab your favorite terrace with a delicious cocktail. Every woman likes to shine, right? And another advantage of CND Shellac on your toenails is that it *lasts perfectly for up to six weeks*, even on the beach with sand between your toes.

CND
PRO
SKINCARE

ELEVATED SKINCARE AT YOUR SERVICE

CND Pro Skincare is a complete new line of prebiotically enriched **Spa Manicure** and **Spa Pedicure** products for healthier-looking skin; like the Callus Smoother, Mineral Bath, Exfoliating Sea Salt Scrub, Intensive Hydration Treatment, all products that are Balanced for hands & feet.

• CND Shellac vs Gelish vs The GelBottle •

Gelish came up with the **Lace Is More** collection for spring; colors inspired by the lush subtlety and femininity of lace.

CND makes itself heard with a beautiful spring collection **Across The Mani-Verse** with soft tones that belong to this season, a mood-boosting palette that offers a journey through whimsical colors,

The Gelbottle also doesn't stop when it comes to new colors of its gel polish, so come and enjoy the anticipation by choosing something new like the **Daisy's Diner** collection!

• The GelBottle ProForm •

The GelBottle has a beautiful new product **ProForm**, a **HEMA-free** line to support your natural nails but with which you can also extend nails, of course combinable with more than 300 colors of Gel Polish. If you prefer something that is almost invisible, choose the Clear Builder **CND PlexiGel**, or even thinner the Shaper from CND for just that ultra-thin reinforcement layer combined with color or a simple Glow with Mermaid.

• Biab Nails (CND Plexigel, The GelBottle) •

Biab has become indispensable, it is ideal for creating a *beautiful natural nail* that immediately strengthens the nail and ensures that it can grow quietly, maintenance-free, without pieces constantly chipping.

Biab and Nail Art remains a strong combination, both **The GelBottle** (TGB) and **CND PlexiGel** continue to expand with fantastic colors. If you are looking for extensive Nail Art, bring your own idea and take a look at our lookbook.

Have a great summer!
